

<p>Maths (White Rose Maths)</p> <p>In the third term of Year 2, we will be looking at the following areas:</p> <ul style="list-style-type: none"> ○ <u>Geometry</u>: Position and Direction ○ <u>Measurement</u>: Time ○ <u>Measurement</u>: Mass, Capacity and Temperature <p>We will be getting outside wherever possible to apply our mathematical learning practically. By applying key principles to real-life scenarios, we hope to demonstrate the importance and relevance of the subject in everyday life. During the second part of the term, we will go back and revise all of the year 2 areas and assess the children's learning in preparation for the transition to Yr 3.</p>		<p>Literacy</p> <p>Our main focus in writing this term will be on developing positive attitudes and stamina for writing by producing pieces about real events, stories, poems and writing for other purposes. Writing will be carefully planned using purposefully gathered vocabulary to help build solid, grammatically correct sentences with well-chosen punctuation.</p> <p>In reading, we will continue to work on developing our fluency and expression. In addition to this, we will further develop our written comprehension skills focussing specifically on inference and prediction. As a class, we will spend time reading books such as "The Boy Who Grew Dragons" and "Charlie and the Chocolate Factory" and responding to these texts in a range of different ways.</p> <p>In spelling, we will continue with the Read Write Inc. Spelling Programme to learn different spelling rules and patterns, consolidated with weekly homework.</p>		<p>Topic (Art/Design & Technology)</p> <p>Our 'Potty About Plants!' topic will provide an opportunity to learn about the different ways that we can appreciate plants.</p> <p><u>Perspectives on plants</u>: We will begin by looking at plants around the world, including foods and where these come from. We will then explore the famous American artist, Georgia O'Keeffe who produced amazing abstract paintings of flowers. We will explore the materials and techniques used to create some of her best-known work.</p> <p><u>Chocolate</u>: We will then move on to look at where in the world cacao trees are grown and how chocolate is made from the cocoa beans. We will explore the history of chocolate – from the Mayans all the way through to Cadbury – and will even have a go at designing and making our own bars!</p>	
<p>Science</p> <p>The topics we will be covering in Science this term include:</p> <ul style="list-style-type: none"> ○ Plants ○ The brilliant life of bees ○ Scientists and inventors <p>To support our learning about plants, we will be planting our own seeds/bulbs and visiting RHS Garden Wisley.</p> 		<p>Potty About Plants! Year 2 Medium Term Planning Summer Term 2022</p> 		<p>Art & Design Technology</p> <p>Children will use a range of different media to produce artwork/items linked to our topic.</p> <ul style="list-style-type: none"> ○ Oriental Poppies painting in the style of Georgia O'Keeffe ○ Create a chocolate bar ○ Design and make wrappers and marketing materials for our chocolatey treat! 	
<p>Computing</p> <ul style="list-style-type: none"> ○ Media – We will be looking at photography exploring what makes a good photograph, lighting, effects. ○ IT skills – We will further develop our IT skills including typing and designing using a range of programs. We will also look at how IT is used in school and around the world. 	<p>PE</p> <p>Our outdoor PE lessons will include:</p> <ul style="list-style-type: none"> ○ Athletics ○ Cricket <p>Our indoor activities will include:</p> <ul style="list-style-type: none"> ○ Dance – Plants Theme ○ Team Games ○ Sports Day prep 	<p>PSHE</p> <p>Using the Jigsaw scheme of work, this term we will be covering:</p> <ul style="list-style-type: none"> ○ Zones of emotional regulation ○ Relationships ○ Changing Me ○ The transition to Year 3 	<p>RE</p> <p>This term we will discuss:</p> <ul style="list-style-type: none"> ○ The importance of Shabbat to Jewish people ○ The parables that Jesus told. ○ Is the world a fair place? 	<p>French</p> <p>This term, the children will:</p> <ul style="list-style-type: none"> ○ revisit colours ○ learn vocabulary related to our topic, plants ○ look at the words for common fruit and vegetables ○ learn words for different weather 	<p>Music</p> <p>This term the children will learn to play the recorder.</p> <ul style="list-style-type: none"> ○ Learning about how the sound is made. ○ Creating a controlled sound ○ Learning the first 3 notes ○ Learning a first piece
