Dear Parents/Carers

Year 4 visit to East Head, Chichester Harbour – Monday 17th July 2023

In the second half of the summer term, our geography focus will be investigating coasts. To further support and enhance the children's learning, we have planned a visit to East Head, where staff from Chichester Harbour Conservancy will guide the children as they gain first-hand experience of the coastal environment. The session will help them to understand the geographical features and processes of the coastline; to understand how people can impact the coastline; and to learn about some of the coastal habitats within Chichester harbour.

The total cost of the trip is **£21.06** this includes the cost of the coach and the cost of the workshop. We invite you to make a voluntary contribution towards this trip, which can be paid on-line, via Scopay by **Monday 5th June**. If you are unable to contribute for any reason, please speak to Mrs Buckley in confidence. If we do not receive enough contributions towards the cost of the trip, we will inevitably have to cancel.

Please note, payment in Scopay will act as your consent for your child to go on this trip.

To help the children have an enjoyable day we thought we should remind you of some of the things they will need:

- A packed lunch with a drink is required (no glass bottles, fizzy drinks or any food containing nuts, please).
- Children should wear school uniform with trainers suitable for walking on the beach.
- Please provide a waterproof coat in case rain is forecast, as we will be outside all day.

We shall be travelling by coach, leaving school at approximately 8.45am and returning to St Mary's at approximately 3.00pm for pick up. If the coach is delayed for any reason, we will inform parents by text message.

If you have any queries, please do not hesitate to contact me.

Yours sincerely

A. Evans
