Together Everyone Achieves More

St. Mary's C of E Primary School

Home School Link Worker Role:

I am available to provide support for children, parents and carers at St Mary's Primary School. I am a link between home and school and I can do the following where needed:

- Help support your child through difficult times
- Guide you towards other agencies who may be able to help
- Support you through the complex business of raising a family
- Help to create links between you and the school
- Help and support you with your child's learning
- Help you find your way through the education system
- Help to sign post you for help with financial difficulties.
- Regular parenting groups are run (just ring me and book a place)

How to get hold of me:

You can telephone me during school hours or catch me in person in the school playground after school.

I visit different schools each day and visit St Mary's on Tuesdays and Wednesdays.

I am happy to meet you in school or if you prefer I can come to your home or somewhere else in the community.

Alternatively, you may contact me by email and I will get back to you as soon as possible. Email Jo Ward HSLW@stmarys-godalming.surrey.sch.uk
