Why is the Bible an important book for Christians?

The Bible is not just a collection of stories for people to read and enjoy. For Christians, the Bible offers help, support and guidance.

In fact, it can be described as a torch, a hammer, a rulebook and a sword. Use the PowerPoint to explain why it can be described as these things.

The Bible is like a torch because...	The Bible is like a hammer because...
The Bible is like a guidebook because...	The Bible is like a guidebook because...

At the very beginning of the Bible, Adam and Eve get into trouble with God. What do they do wrong?

Can you think of a time that you felt tempted by something? What was it and did you give in to temptation? Why/why not?
