

Hello Year 4!

Below is an overview of this week's home learning. All of the resources needed for each lesson will be available in Seesaw Activities each day, in line with the timetable below. For those parents who need to be a little more flexible around their own work and family commitments, the week's resources can be downloaded at any time from the Year 4 Home Learning Activities page on the school website.

Please get in touch if you have any questions or need any further support, and I will do what I can to help. Have a great week!

Mrs Evans
