

The Gift Of The Nile

ALL CRAFTSMEN: *Where would we be without it?*

Added vocals

Egypt, the gift of the Nile.
Egypt, come linger for a while.

- 1 Tell of ancient people,
Lost in sands of time,
Dwelling in a land of plenty,
Guarded by the gods divine.

(people lost)
(sands of time)
(plenty, guarded)
(by the gods divine)

Egypt, the gift of the Nile.
Egypt, come linger for a while.

- 2 Tell of ancient customs,
Speak of Pharaoh kings,
You can hear their secrets
Whispered on the desert winds.

(customs speak)
(Pharaoh kings)
(secrets whispered)
(on the desert winds)

Egypt, the gift of the Nile.
Egypt, come linger for a while,
Come linger for a while, come linger for a while.
