

Designing a Healthy Fruit Kebab.

Design criteria

I am going to design and make a healthy fruit kebab for a _____ party.

I want my kebab to be:

E.g. Bright, colourful, one colour, patterned, soft fruits.

My fruit kebab will be called:

Draw and label the ingredients you will use:

Name of Fruit	Appearance	Taste	Smell	Order of Preference

Evaluating your Fruit Kebab

Did you make your fruit kebabs completely like your plan? If not, why not?

What do you think you did well when making your fruit kebab?

What would you change if you were making the fruit kebab again?
