

Hello Year 4!

Below is an overview of this week's home learning. All of the resources needed for each lesson will be available in Seesaw Activities each day, in line with the timetable below. For those parents who need to be a little more flexible around their own work and family commitments, the week's resources can be downloaded at any time from the Year 4 Home Learning Activities page on the school website.

Please get in touch if you have any questions or need any further support, and I will do what I can to help. Have a great week!

Mrs Evans

Day	Spelling	Literacy	Maths	Afternoon Activities		
Monday 9:00am Registration Zoom	Speed Spell Spelling Zone Adding the prefix auto-	 Non-Fiction - Biography Hatshepsut We will be spending the rest of this half-term working on writing a biography linked to our topic. This week, we will be exploring an example of a biography to 'find the shape'; enjoy an experience day to find out all about Hatshepsut, and begin our sentence stacking lessons to start writing the biography. You will find the activities and any short video clips from me in the Activities section of Seesaw at 8:45am each day.	Divide 2-digits by 1-digit (3) The video clips for these lessons can be accessed here: https://whiterosemaths.com/homelearning/year-4/spring-week-3-number-multiplication-and-division/ The worksheets for each lesson can be downloaded in advance from the school website, and will also be uploaded on to the Activities section on Seesaw at 8:45 each morning. You can complete the work in one of three ways: 1. Complete directly on Seesaw by clicking 'Add Response' 2. Print and complete the worksheet at home and post a photo on Seesaw. 3. Display the worksheet on your device and answer the questions in your homework book, then post a photo on Seesaw.	RE: Bible Quotations In this lesson, you will think about what some wise quotes from the bible mean, and draw a picture to represent one or more of these. French: Chez Moi – Lesson 3 In this lesson you will learn another five rooms of the home in French and you will also learn the phrase 'Chez moi il y a...' Music: Our second song is called ' Make a Mummy ', which links well with this week's topic lesson! Read the lyrics and listen to the song on Seesaw. Can you start to sing along? Topic: Mummies In this lesson, you will find out more about the mummification process, and have a go at making your own mummies! Science: Types and Functions of Teeth In this lesson, you will be learning about the different types and functions of teeth in your mouth, and comparing these to animal teeth.		
Tuesday 9:00am Registration Zoom	Dots and Dashes					Divide 2-digits by 1-digit (2)
Wednesday 9:00am Registration Zoom	Word Changers					Divide 3-digits by 1-digit
Thursday 9:00am Registration Zoom	Dictation					Correspondence Problems
Friday 12:00pm Boys Zoom 12:30pm Girls Zoom	Choose the right word					Revision/ Mini-Assessment
PE: Try to get active every day if you can! Mrs Wright will be hosting a LIVE PE Zoom at 9:30am on Wednesday . https://us02web.zoom.us/j/87196922139?pwd=YjFkNDIVRHJndG5QbnM2RnJaeVovZz09 Meeting ID: 871 9692 2139 Passcode: lwfitness		Collective Worship: This week's value is PERSEVERANCE Perseverance isn't easy. It means that even when things get really hard for us, we don't give up. Someone once said: ' <i>When the world says, "Give up", Hope whispers, "Try it one more time."</i> ' Watch the video about two monsters named Mojo and Katie (Seesaw)		Just for Fun! Photo Challenge: Mummification! As you have been learning all about mummification this week, can you mummify a teddy or a family member? Use bandages or toilet roll to wrap them up, or maybe you want to be mummified yourself! As this challenge is just for fun, please leave all organs inside the body! (Toilet roll can be a precious commodity during lockdown, so please check with an adult first!)
