

Year 3 Home Learning - RE AND FRENCH

Lesson

RE - We are moving to start a new unit titled What does it mean to be a Jew?

"What does it mean to be a Jew?"

This unit will build on aspects of Judaism that you have previously covered during your time at St Mary's School. We will aim to develop a deeper understanding of religious writings, and reflect on what it might mean to be a Jew.

Lesson six

As previously, before we start please take a moment to reflect on your week, if you would like to say a prayer too, feel free to do so. We usually enjoy a moment of calm before moving on to our next tasks.

Do let us know how this made you feel by dropping a voice recording on seesaw!

All the below content is also on the Power point for ease

As an introduction Judaism, please see the link below, we recommend you play them in this order:

This 4-minute-long clip introduces Judaism:

Please take our quiz once you have looked through the clips and powerpoint

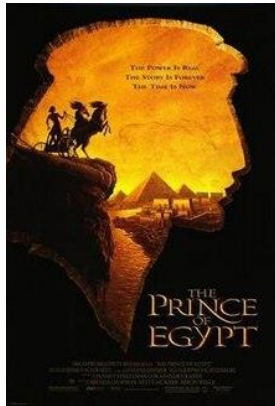

This week's chilli challenge:

- Why not make 10 rules up for your own household to try and live by over the next month?
- If you enjoy craft activities why not have a go at making your own Mezuzah? See separate PDF for a template, you can of course just use materials from your recycling too, don't feel you have to print out the sheets if you haven't got easy access to a printer! We will show you our attempt at this craft too!

A bonus thing for half term perhaps; my daughter (who is 11) has reminded me of this film, you might enjoy it too. Check with your parents first as it is PG rated. Here is a trailer:
