

Bonjour Year 6!

This is the last week of our 'Le Weekend' topic in French. I would like you to make a poster illustrating one (or more!) of the weekend activities you have learnt about this half term. Choose the one/s you think you would like to do best and add a French title, for example:

'Le weekend je joue au foot' and a drawing of yourself playing football. You could add your opinion of the activity too: 'Le weekend je joue au foot. C'est génial!'

Remember to add your name to your poster, I would like to create a French display in the classroom when we go back to school.

Enjoy!

Madame Creswell 😊
