

Thursday and Friday's English

You can choose from the following options:

- Plan and write your own nonsense poem.

OR

- Write a letter to your Chiddingfold resident (which you can drop into school after half-term for me to deliver) or a letter to a member of your family who you may not have seen for a while.

OR

- Write a Valentine's Poem or thank you letter to your lovely parents.

Nonsense poem writing:

- Think of a theme- food/ animals/ setting/ an event /imagined creature etc.
- Will it tell a story? (narrative)
- Will it rhyme/ have a pattern? (count syllables)
- What will be nonsense about it...
 - the theme?
 - the language? (portmanteau/onomatopoeia)

Letter writing:

- Say why you are writing- 'Hope you are well...' etc
- Give an update on things that have happened since writing before; such as Christmas, snow and lockdown. Perhaps explain how you are still doing your school work from home.
- Your hopes for the rest of the year.
- Remember to ask how they are' have they had their vaccination, hope they are well etc.
- Maybe draw them a nice picture!
- Write a draft version, check/edit, then write up in your best handwriting!
