

Harry Potter and the Philosopher's Stone – The First Quidditch Match

Literacy Activity 2

Enjoy the second clip of the Quidditch Match and answer the questions below on a separate sheet using full sentences and your best handwriting please.

1. What does Hermione do to help Harry to get back on his broomstick?
2. Why does Hagrid say, "It looks like he is going to be sick!" What has Harry actually done?
3. How do the Gryffindor supporters and players react when they hear the final whistle and the match result?
4. Think of three adjectives (describing words) to capture how Harry must have felt at the end of the match?
5. What do you think Harry and his friends did straight after this?
6. Would you like to go to a Quidditch match? Explain your answer.
7. How important do you think the music is during an action scene like the Quidditch match? Explain your answer. (Go back and watch both clips again and listen to how the music changes.)
8. Draw a picture of Harry celebrating his victory holding the Golden Snitch in the air.
