

Welcome back Year 4!

I hope you all had a lovely half-term break! Below is an overview of this week's home learning. All of the resources needed for each lesson will be available in Seesaw Activities at 8:45am each day. For those parents who need to be a little more flexible around their own work and family commitments, the week's resources can be downloaded at any time from the Year 4 Home Learning Activities page on the school website.

Please get in touch if you have any questions or need any further support, and I will do what I can to help. Have a great week!

Mrs Evans
