This week we are going to focus a little more on the Torah and Jewish symbols.

By the end of this session you should be able to explain what the Jewish holy book is and how it is used. You will also be able to name and explain the meaning of some Jewish symbols.

Please refer to the Power point for details and clips, we have also added some nice activities that you can utilise this afternoon, please take a look and let us know how you get on! If you have problems accessing the ppt document, please let us know.

This week's chilli challenge selection:

Make a Scroll and have a go at writing in Hebrew! Please upload a photo of you and your scroll to seesaw!

Thank you for always trying your best, we can't wait to see you all next week!
