

Bonjour Year 6!

We are continuing with our new topic 'Manger et Bouger' (Healthy Lifestyle) in French this week.

Log in to Language Angels"

Username: **Stmary3040**

Passsword: **lahome**

Go to '**Super Challenge Level**' on the right hand side of the screen and scroll down to **Unit 6, 'Manger et Bouger'**.

This week we are looking at foods that are healthy and those are not so healthy. Practise your pronunciation as you go through the PowerPoint and play the challenges on page 27.

I would like you to complete the **writing challenge (choose which one you feel most comfortable with) and the food article sort.**

Finally, I would like you to **practise the phrases on page 31** of the PowerPoint. See if you can find out what they mean.

Have fun and next week we will all be back together for French on Thursday afternoon!

Woohoo!

Madame Creswell 😊
